Dear Sir:

The computer readable form in this continuation application, filed June 30, 2003, is identical with that filed in application numbers 09/813,156 filed on March 21, 2001, which is a continuation of U.S. application serial number 08/991,862 filed on December 16, 1997, now U.S. Patent number 6,309,826, which is a continuation-in-part of U.S. application serial number 08/863,079 filed on May 23, 1997, now abandoned. In accordance with 37 CFR 1.821(e), please use the only computer readable form filed in the applications as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is attached for incorporation into the specification.
